

Praise for The 10-Minute Trainer!
February 16, 2006
American Society for Training and Development

Dynamic, engaging, chock full of usable tools! Incredible "take home pay!"
Amy Gould, Trainer and Consultant

"The 10-Minute Trainer" was informative, friendly, and fun. I certainly learned how to shorten training time and still get the content across.
Beverly Foster, Division Customer Service Trainer, Time Warner Cable

Entertaining, helpful and enjoyable! The seminar was a great way to quickly learn new tools for teaching others.
Ken Kroemer, Public Library of Char-Meck

"The 10-Minute Trainer" will benefit me for years to come and never go out of style.
Khanspasha Feaster, Division Customer Service Trainer, Time Warner Cable

Wonderfully informative – learned a lot in a short time!
Nancy Daniel, Instructor/Graphic Designs, New Horizons

Dynamic, enlightening and interactive! Well versed speaker; stuck to the point and got the audience involved.
Daena Spencer, Career Counselor, New Horizons

This was an "interactive learning experience". I took Einstein's quote to heart – I experienced the learning!
Pamela Myers, Senior Training Specialist, JPMorgan Chase

I learned practical tips, techniques and strategies that I can use right away!
Kevin Decker, Chief Relationships Office, Decker

The 10 Minute Rule is my best take away tonight...a great reminder for today's learners! Marcia was very personable and knowledgeable... Outstanding presentation!
Danny Greene, Regional Trainer, The Home Depot

It was an interactive, educational activity that was time well spent and included very current, applicable information and techniques.
Jennifer Bush, Performance Development Specialist, Ziglar Performance

You won't be bored. Marcia is a great facilitator of learning!
Caryn Lee, Director of Sales & Marketing

Marcia not only taught us well, she beautifully exemplified everything she taught!
Karen McLarty, V.P.- Communications Manager, Bank of America
