"Creative, awesome, practical."

"I have been to at least 10 PowerPoint classes and have taught PowerPoint. I felt I did not need this class. Boy was I wrong! I learned more in this 4 hour class than I have in week-long workshops."

"Marcia is high energy and presents easily replicated techniques."

"My instructor group has been exposed to many training experiences over the past year and they all say that this was one of the best."

"I never knew using PowerPoint could be so much fun."

"This is one of the most useful classes I have been to. It will help me improve my skills to do my job better. It was informative and something I will definitely use."

"At first I thought, "Great another class on PowerPoint." Once the class began I was learning new techniques without realizing it. That was very important to me because I want to incorporate that in my classes."

"Marcia is very personable and drew us into the learning, making it simple and related to my day to day processes. This was the best class of this type that I've experienced."

"This PowerPoint class was completely different from what I thought it would be. The entire class made a lot of sense and showed me ways that I can make leaning more fun."
