

Praise for The Big 5 Team Workshop! December 6, 2006

The Ivey

Enlightening – interactive – discovery. It opens the door for a team to become accepting in their knowledge of each individual's talents and strengths.

Lynn Ivey, President

The team workshop was a wonderful investment in team building. I have a better understanding of the team I work with – which will be VERY helpful in the months and years to come.

Daniel J. Harrison, Finance

This was a wonderful experience; fun, interesting and exciting! A fabulous opportunity to learn more about myself and how to tap into my colleagues areas of expertise.

Monica Morrissey, Marketing/Communication

Insightful information that opens attitudes, perceptions and helps form a team.

Scott Tenbroeck, Intern

The workshop was Great! I feel like we are more of a team and I have a better understanding of each team member.

Cindy Langley, Human Resources

I found this workshop unifying and encouraging. I have a better understanding of how I work within the team and how I can be more beneficial. We all have strengths and weaknesses. The workshop was helpful in how to work together as a team.

Lauren Ivey, Artistic Environmental Coordinator
